# **ISPRP 13<sup>th</sup> National Conference 2023**

**Esteemed fellow professionals,**

**Warm greetings from the organizing team of ISPRP 2023**

**The oral cavity is often rife with problems that require an interdisciplinary solution. The singular approach to dental health care is rapidly being replaced by the 'trifecta' approach wherein the teeth are treated as an Endo-Prosthodontic-Periodontic continuum. This increasing knowledge base has opened up various treatment options and as dentists we must keep abreast with them. The 13th National ISPRP conference is hosted at Kannur , located in Kerala. This conference aims to provide the platform for a fun filled and scientifically enriching experience for budding specialists to update their knowledge from stalwarts in their respective fields. Kannur is also known as the Manchester of Kerala. Steeped in history and legend, its every nook and corner has the most interesting stories to tell. So get ready to pamper yourselves in Malabar hospitality!!**

**Come and join hands to make ISPRP 2023 a memorable one.**

**Eagerly looking forward to be your hosts.**

**DR. A.V SREEKUMAR**

**ORGANIZING CHAIRMAN**

**DR. GEORGE THOMAS**
